Add New Record:

The add record button allows adding another record without accessing the user end.

The screenshot shows a web browser window with a blue background. At the top, there is a title bar with several tabs. Below the title bar, the main content area is blue and contains the text "Add new record" in white. Below this text, there is a white horizontal line. In the center of the page, there are four input fields arranged in a 2x2 grid. The top-left field is labeled "Username", the top-right field is labeled "ID", the bottom-left field is labeled "Email", and the bottom-right field is a dropdown menu labeled "Whiteboards". Below these fields, there is a red button with the text "Borrow" in white.

Registration successful.

If another record is inserted without errors, a message shows.

Delete Record:

Deleting a record will remove all the borrower’s details from the database.
